   “bank” has the meaning assigned to the word in the Banking and Financial Services Act, 2017;
   “cash equivalent” means short term, highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value;
   “collective investment scheme” has the meaning assigned to the words in the Securities Act, 2016;
   “corporate bond” means a debt instrument with a maturity date of more than twelve months, excluding a convertible debenture, however prescribed, issued by a company incorporated under the Companies Act, 2017, or other body corporate established by law;
   “derivative” means a financial instrument whose price is based on the price of another underlying asset;
   “equity” means the shares of a company excluding shares in property companies, whether those shares are preferred or not, and including convertible debentures;
   “ExchangeTraded Fund” means a marketable security that tracks a stock index, a commodity, bond, or a basket of assets;
   “fair value” means the price likely to be received on the sale of an asset, or paid to transfer a liability in an orderly transaction between market participants at the measurement date;
   “financial institution” has the meaning assigned to the words in the Banking and Financial Services Act, 2017;
   “fund size” means the total assets of a pension scheme;
   “Government securities” means securities issued by the Government of the Republic through the Bank of Zambia;
   “hedge fund” means an asset which uses any strategy or takes any position that could result in the portfolio incurring losses or gains greater than its fair value at any point in time, and which strategies or positions include leverage and net short positions;
"investment policy statement" means a document containing principles governing decisions on investment of scheme funds, a description of a scheme’s general investment philosophy and objectives as determined by the scheme’s liability profile and risk appetite;

"listed company” has the meaning assigned to the words in the Securities Act, 2016;

“manager” has the meaning assigned to the word in the Act;

“passive investment fund” means a listed investment scheme that issues units or similar financial instruments to the investing public where the value of the units or financial instruments tracks or mirrors an established industry index;

“policy” has the meaning assigned to the word in the Insurance Act, 1997;

“private equity” means an asset class consisting of equity securities in operating companies that are not publicly traded on a stock exchange;

“quoted entities” means entities whose securities are registered under the Securities Act, 2016 and have not been listed on any licensed securities exchange;

“speculative investment” means a financial instrument that carries a high degree of risk whose profits are based on price fluctuations of the investment market value; and

“supranational entity” means an entity which is collectively governed by member states and whose influence and power of member states transcend national boundaries.

3. These Regulations apply to a pension scheme registered under the Act.

4. A pension scheme shall ensure that an investment of the pension scheme is based on the following principles:

(a) adoption of an investment policy statement that reflects the investment strategy of the pension scheme set out in the First Schedule;

(b) considers the level of risks to be taken in aggregate to the liability structure of the fund;

(c) maximises investment returns consistent with the risk assigned for each type of investment;

(d) prudent and responsible investment of money for the benefit of scheme members;

(e) mitigate risk by ensuring alignment of interest, where possible;
(f) diversify investment portfolio while ensuring quality of investment and sufficient liquidity for the normal operations of the pension scheme;

(g) compliance with investment limits set by the Authority and the Minister;

(h) ability to pay pension benefits when they fall due;

(i) monitoring and assessment of investment success in line with the investment policy statement on a regular basis; and

(j) adherence to principles of good corporate governance and accepted accounting standards.

5. (1) A pension scheme shall not make an investment of more than twenty percent of the fund size in cash, bank balances and money market instruments with any one bank or financial institution, except for a pension scheme that has, from the date of registration, been in existence for a period of less than twelve months.

(2) A pension scheme shall maintain an investment of not less than two and a half percent of its fund size in cash, bank balances and money market instruments.

6. A pension scheme shall maintain an investment of Government securities of not less than two and half percent of its fund size.

7. (1) A pension scheme shall maintain an investment of not less than five percent, but not more than seventy percent of its fund size in listed and quoted equities, except for a pension scheme that has, from the date of registration, been in existence for a period of less than twelve months.

(2) The investment under subregulation (1) shall consist of—

(a) not more than fifteen percent of the fund size where it is invested in the equities of the same company;

(b) not more than ten percent of ownership of the share capital of any one company;

(c) not more than ten percent of the fund size of the pension scheme where it is invested in a company that has been in existence for less than three years;

(d) not more than fifteen percent of the fund size of the pension scheme where it is invested in private equity; and

(e) not more than five percent of the fund size of a pension fund where it is invested in securities of a sponsoring employer where the sponsoring employer includes direct
8. A pension scheme shall invest not more than twenty percent of the fund size in a collective investment scheme.

9. A pension scheme shall maintain an investment of not more than ten percent of its fund size in corporate bonds of the same company.

10. (1) A pension scheme may invest not more than forty percent of the fund size in immovable property.

(2) The investment under sub regulation (1) shall consist of direct or indirect investment, except that the direct investment shall not exceed thirty percent of the fund size.

(3) The property referred to under sub- regulation (1) consists of—

(a) claims secured by mortgage bonds;

(b) units in collective investments schemes in property related financial instruments; or

(c) share in, loans to, and debentures of property companies.

11. (1) A pension scheme may invest not more than thirty percent of its fund size outside the Republic as may be authorised by the Minister under the Act.

(2) A pension scheme shall not invest in property outside the Republic.

12. A pension scheme shall not invest more than ten percent of fund size in an insurance policy with a registered insurer.

13. A pension scheme shall not invest more than thirty percent of its fund size in financial instruments issued by a supranational entity, except in instances where the Authority provides other specified limits following an assessment of the supranational entity.

14. (1) The Registrar may, on an application by a pension scheme, exempt the pension scheme from any of the provisions of these Regulations, subject to conditions that the Registrar may impose for purposes of the Act.

(2) A pension scheme may apply for an exemption to the Authority in Form I set out in the Second Schedule.

(3) The Registrar shall, within sixty days of receipt of an application under subregulation (2)—

(i) grant the exemption applied for;
(ii) make alternative recommendations; or
(iii) refuse to grant the exemption, giving reasons for the refusal.

15. A person dissatisfied with the decision of the Registrar, may appeal to the Minister within thirty days of receipt of the decision.

16. (1) A pension scheme shall not invest in derivatives, hedge funds or any other speculative investments, except where a specific request is made for risk management purposes to the Registrar and approval is granted.

(2) A pension scheme shall not, without the approval of the Registrar, directly or indirectly grant a loan to, or invest in, any debt instrument, shares of a company or its subsidiary, holding company or successive subsidiary or holding company controlled by a member or trustee of a fund or a director of a sponsoring employer of the fund and service providers.

17. A pension scheme may, with the approval of the Registrar, invest in other investments, which includes passive investments such as exchange traded funds for purposes of these Regulations.

18. (1) A trustee, manager, and custodian of a pension scheme shall develop and observe comprehensive policies and procedures to minimise instances of insider dealing and conflict of interest in all their operations.

(2) The policies referred to in subregulation (1) shall provide awareness on insider dealing and conflict of interest in areas such as investment approvals, contracts for works or employment, business relationships, professional services and competing business.

19. A pension scheme shall comply with these Regulations within a period of twelve months from the commencement of these Regulations or longer period that the Registrar may specify.

20. The Pension Scheme (Investment Guidelines) Regulations, 2011, are revoked.
